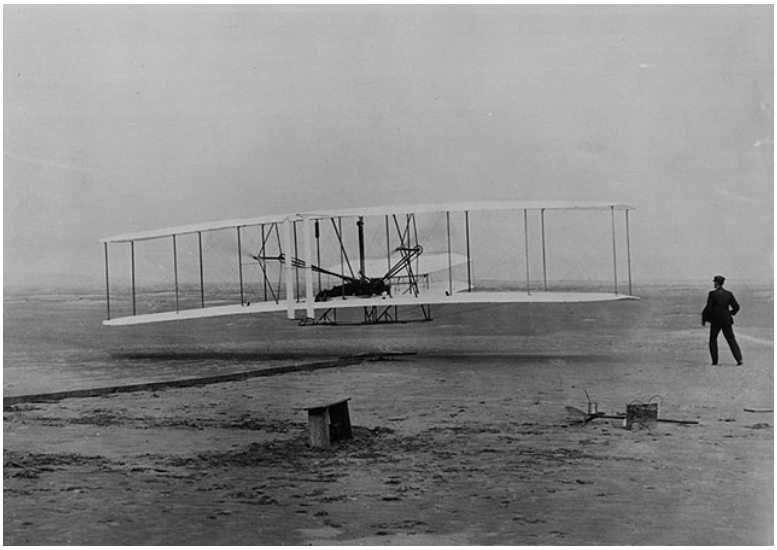
The United States Air Force Museum presents:



The Wright Brothers

Twelve Seconds that Changed the World!

Join us on December 17, 2003 to learn how the Wright brothers unlocked the secrets of flight! Celebrate the 100th anniversary of the world's first successful heavier-than-air powered flight!

Call now to register your class to attend this assembly-style presentation (to be held in the Museum's Carney Auditorium) designed for grades 4 through 8.

December 17, 2003

Two programs are being offered: 10:00—10:40 a.m.
or 11:00—11:40 a.m.

Call 937-255-8048, extensions 461, 462 or 463. *Space is limited.*
