

## **ANG: Readiness Frontier Mission Statement**

We organize, train, and equip ANG Medical Groups to provide Force Health Protection for all assigned personnel.

AND

We deliver competent medical forces to Combatant Commanders as well as a homeland response capability to States and Territories.

## **Description**

Readiness Frontier is a formal course. Each person must have a TLN for all the training they attend and attend each course in its entirety. The RF core Course Number is YANG RF and is advertised in ETCA and available in TEAMS. Please obtain an unfunded TLN through your BETM to receive credit for classes attended.
