MEMORANDUM FOR AMC/A5QF

ATTN: [REDACTED]

FROM: 730 ACSG/CC
235 Byron Street, Suite 19A
Robins AFB GA 31098-1670

SUBJECT: Airworthiness Approval for the North American Rescue Talon II Litter.

References: (a) Test Plan for the North American Rescue Products, Talon II Collapsible Litter Tested by the Aeromedical Test Branch (ATB) Human Systems Group (HSG/TFL)

(b) HSG/CC memo, dated 2 June 2006, Safe-to-Fly (STF) Recommendation for North American Rescue Talon II Litter

1. After reviewing the Test Data, we have determined the North American Rescue Talon II Litter will not fail in a manner that would cause a hazard to the C-5 aircraft. Based on the testing outlined in the HSG Test Plan, the North American Rescue Talon II Litter is found to be safe on the C-5 aircraft.

2. The North American Rescue Talon II Litter is suitable for use on the C-5. Final airworthiness for the North American Rescue Talon II Litter is granted.

3. The points of contact are [REDACTED] DSN [REDACTED]
[REDACTED] and [REDACTED] DSN [REDACTED]
