

Wright - Patterson Air Force Base  
Home of the first Active Duty  
Air Force Installation  
**VPP Star Site**

### 4 Elements Of VPP

- Management/Union Commitment & Employee Involvement
- Worksite Analysis
- Hazard Prevention and Control
- Safety and Health Training

### 9 Meaningful Ways To Get Involved

1. Report safety issues and recommend solutions
2. Volunteer on your organization's safety team
3. Participate in safety investigations and submit near miss reports
4. Review and provide Job Safety Analysis (JSA's) for workstations
5. Develop/Participate in the employee improvement suggestion program
6. Conduct regular housekeeping and safety tours in your area
7. Train others in safety and health
8. Promote good health through Civilian Fitness and Wellness Programs
9. Be a role model for others

“Together changing the culture  
in Safety and Health”

**WPAFB Voluntary Protection  
Program: 904-0888**
