

MEETING NOTICE

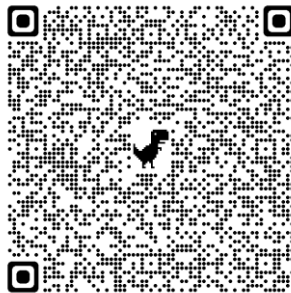

WRIGHT-PATTERSON AIR FORCE BASE ENVIRONMENTAL RESTORATION PROGRAM

On behalf of Wright-Patterson Air Force Base (WPAFB), Environmental Restoration Team, the public is invited to take part in the, Restoration Advisory Board (RAB) meeting to be held March 28, 2022, at 7:00 PM EST.

Representatives from the Air Force Civil Engineer Center (AFCEC) and the 88th Civil Engineering Group (CEG), have prepared a presentation with updates to current environmental restoration and military munitions projects. Projects include soil and groundwater investigations and remediation activities at per- and polyfluoroalkyl substance (PFAS) sites, and compliance surveys.

The RAB presentation materials will be via Microsoft Teams using the following link or QR Code:
