

**NOTICE OF AVAILABILITY  
WRIGHT-PATTERSON AFB  
NO ACTION RECORD OF DECISION  
for the  
BUILDING 30013 SUMP PIT AREA SITE (LF512)**

The United States Department of the Air Force (DAF) is announcing the availability of the No Action Record of Decision (ROD) for the Building 30013 Sump Pit Area site (LF512) at Wright-Patterson Air Force Base.

The ROD documents the selected remedy of No Action for LF512. Soil at the site does not present an unacceptable risk to human health or the environment and meets the criteria for unlimited use/unrestricted exposure. The No Action alternative was evaluated in the Feasibility Study and presented for public comment in the Proposed Plan with input from regulatory agencies. No comments were received during the comment period.

The ROD and related documents that formed the basis for DAF's selection of the remedy are available for public review through the site Administrative Record at the website address: <https://ar.cce.af.mil/>
