

Strategic Plan

FEBRUARY 2025

MISSION

Develop the Force - Deliver Mission Support - Strengthen the Warfighter

The PEOPLE

Our mission is to **enable** capabilities, **cultivate** skills, and **ensure** readiness through comprehensive training, education, and professional development to **empower** personnel for mission success.

The PROMISE

Our mission is to **provide** seamless and efficient support services to enhance operational effectiveness, ensuring timely logistics, maintenance, and critical functions for mission success.

The PURPOSE

Our mission is to **enhance** the combat effectiveness of our warfighters by equipping our forces with the tools, systems, and capabilities they need to dominate the battlespace and achieve decisive victories in any operational environment.

LINES OF EFFORT

LOE 1 READY & RESILIENT FORCE

Attract, develop, and retain a total force that is trained, ready, and fit to accomplish the mission at home and abroad.

LOE 2 READY & RESILIENT INSTALLATION

Optimize resources to establish a state-of-the-art multi-domain environment that is functional, safe, and secure for mission demands.

LOE 3 MISSION & COMMUNITY PARTNERSHIPS

Forge strategic relationships across team Wright-Patt and regional partners to enhance collaboration, investment, and recruitment driving mutual benefits and understanding.

LOE 4 MISSION COMMAND ENVIRONMENT

Executing commander's intent through a decentralized decision-making environment featuring critical thinking, innovation, and Airmen and force empowerment.

VISION

The Premier
Air Base Wing...
One Team -
People Driven,
Mission Focused!

MOTTO

**STRENGTH
THROUGH
SUPPORT**
