

FACT SHEET

U.S. Air Force Fact Sheet AFICC/KG

AFICC/KG, is an Operating Location (OL) of the Air Force Installation Contracting Agency (AFICC), a subordinate unit of the Air Force Installation and Mission Support Center (AFIMSC). Located at Barksdale AFB, LA; AFICC/KG provides contract clearance, guidance, and policy oversight to Air Force Global Strike Command's \$323M portfolio, executed across five operational contracting squadrons.

AFGSC is headquartered at Barksdale AFB, LA, and provides combat-ready forces to conduct strategic nuclear deterrence and global strike operations in support of combatant commanders. AFGSC is the direct descendant unit of the Cold-War-era Strategic Air Command. It holds the lineage, history and honors of SAC. The AFGSC mission is to provide strategic deterrence, global strike, and combat support; the AFGSC vision is: innovative leaders providing safe, secure, and effective combat-ready forces for nuclear and conventional global strike...today and tomorrow!

AFGSC official shields
(left to right).*

AFICC/KG acts as the Senior Business Advisors for AFGSC and brief AFGSC/CC and other senior leaders on critical contracting issues and recommend solutions for MAJCOM wide contracting issues and requirements. Additionally, AFICC/KG also provides force development, policy and training for 205 military and civilian contracting professionals in staff, center, and wing units, while leading re-organizations, lean projects, transformation efforts, and the contracting officer warrant board training program.

AFICC/KG oversees contracting activity for the following locations:

- 2 CONS, Barksdale AFB, LA
- 5 CONS, Minot AFB, ND
- 90 CONS, FE Warren, WY
- 341 CONS, Malmstrom, MT
- 509 CONS, Whiteman AFB, MO

Background:

In July 2010, the Office of the Secretary of Defense (OSD) directed each Service to gain efficiencies and reduce operational costs. As part of this plan, Air Force Contracting established a Headquarters Air Force level Field Operating Agency (HAF-FOA) on 1 October 2013, to manage and execute above-wing operational contracting including enterprise and strategic sourcing. This FOA, called the Air Force Installation Contracting Agency (AFICC), located at Wright-Patterson Air Force Base (WPAFB), OH; realigned operational contracting staff functions and contracting resources at above-wing contracting execution organizations while maintaining the wing-level “One Wing, One Boss” installation support concept.

In addition to Enterprise Sourcing Squadrons (ESSs), Specialized Contracting Squadrons (SCONs), and Contracting Squadrons (CONs); these Operation Locations (OLs) exist worldwide. There are eight OLs within AFICC/KG Fact Sheet Point of Contact:
